

The NUS High School is a specialised school offering a seamless 6-year programme to students between the ages of 12+ and 18 years and who have an aptitude for Mathematics and Science. We invite suitable applicants for the following position.

ASSISTANT HEAD OF DEPARTMENT in the following subject: **Physics & Engineering**

We are looking for candidates who possess a relevant professional teaching qualification (or Post-Graduate Diploma Education equivalent) and

- have a passion in the relevant teaching subjects and inspire students to love the subjects via teaching and role modelling
- can participate and contribute to the planning, development and teaching of an integrated 6-year curriculum in the relevant teaching subjects
- are effective within and outside the classroom, adopt innovative pedagogies such as IT-enabled learning, differentiated learning, collaborative learning and learner-focused interaction
- can initiate and mentor research projects
- are able to provide for the learning needs and character development of high-ability learners ranging from 12+ to 18 years of age
- are able to contribute as an effective Co-curricular Activities (CCA) teacher and form-teacher

Requirements:

- A good Bachelor's or higher Degree in Physics or Engineering
- Competent in teaching Physics at GCE O-Level content or GCE A-Level H2 content
- Driven and able to support Head of Department to lead the department in designing, implementing and evaluating an integrated 6-year Physics & Engineering curriculum
- Research experience in Physics or Engineering areas and ability to guide students in research projects will be advantageous

Employment Terms:

2-year contract, subject to renewal

Remuneration will be commensurate with qualifications and experience. Interested applicants, please email your detailed resume to hr@highsch.nus.edu.sg

Only shortlisted candidates will be notified.
