

The NUS High School is a specialized school offering a seamless 6-year programme to students between the ages of 12+ and 18 years and who have an aptitude for Mathematics and Science. We invite suitable applicants for the following position.

CONTRACT TEACHER in the following subject: **Physics**

We are looking for candidates who possess a relevant professional teaching qualification (or equivalent) and:

- have a passion in the relevant teaching subjects and inspire students to love the subjects via teaching and role modelling
- can participate and contribute to the planning, development and teaching of an integrated 6-year curriculum in the relevant teaching subjects
- are effective within and outside the classroom, adopt innovative pedagogies such as IT-enabled learning, differentiated learning, collaborative learning and learner focused interaction
- can initiate and mentor research projects
- are able to provide for the learning needs and character development of high ability learners ranging from 13 to 18 years of age
- are able to contribute as an effective Co-curricular Activities (CCA) teacher and form-teacher

Employment Terms:

2-years contract, subject to renewal

Requirements:

- Competent in teaching Physics up to O-Level and A-Level H2 content
- Able to support students in Physics competitions with emphasis on research and scientific debate such as Singapore Young Physicist Tournament will be an advantage
- Able to support Astronomy CCA will be an advantage

Remuneration will be commensurate with qualifications and experience. Interested applicants, please email your detailed resume to hr@highsch.nus.edu.sg

Only shortlisted candidates will be notified.
