

Mushroom, broccoli and pumpkin ice cream ... mmm

Beating 10 teams from 10 secondary schools at the Nanyang Polytechnic- Swensens's Yummy Healthy Ice-cream finals, our NUS High School team emerged champions and walked home with \$200 worth of Swenson's vouchers and a trophy.

The team consisting of Wai Boon, Julie and Long Yi Jun came up with their special concocted ice cream flavor- mushroom, broccoli and pumpkin and the team was judged on the following criteria-healthy and interesting ingredients, innovation, quality and presentation.

Congratulations to our winning team!
