

The NUS High School is a specialized school offering a seamless 6-year programme to students between the ages of 12+ and 18 years and who have an aptitude for Mathematics and Science. We invite suitable applicants for the following position:

## **TEACHER** in the following subject: **Math & Statistics**

We are looking for candidates who possess a relevant professional teaching qualification (or equivalent) and:

- have a passion in the relevant teaching subjects and inspire students to love the subjects via teaching and role modelling
- can participate and contribute to the planning, development and teaching of an integrated 6-year curriculum in the relevant teaching subjects
- are effective within and outside the classroom, adopt innovative pedagogies such as IT-enabled learning, differentiated learning, collaborative learning and learner focused interaction
- can initiate and mentor research projects
- are able to provide for the learning needs and character development of high ability learners ranging from 13 to 18 years of age
- are able to contribute as an effective Co-curricular Activities (CCA) teacher and form-teacher

### **Requirements:**

- Competent in teaching Mathematics up to GCE A-level H2 and/or H3 content
- Coding experience in Python, C or Java is advantageous
- Research work experience is desirable – able to offer and guide Mathematics/interdisciplinary research projects for high school students

Remuneration will be commensurate with qualifications and experience. Interested applicants, please write in or email your detailed resume latest by **15 July 2022** to:
